## *5th Edition 2011*

### **‘Joseph and the Amazing Technicolor Dreamcoat’**

40 talented and enthusiastic youngsters – 7 years to 16 years – presented an amazing production. This delightful musical, over four performances, was enjoyed by an appreciative audience, some returning for a second time. This was the first involvement for many members of the cast and we do hope they return and join future BCA productions.

Director Jonathan Jenkins and Musical Director Heidi Zerk, along with a dedicated production team, worked extremely hard over many months.

The support given by families was most welcome. We thank you.

*Congratulations everyone*
